Subject: PVC Fittings Price Increase July 1, 2019

CANTEX will be implementing a PVC fittings price increase effective July 1, 2019. This increase reflects the continuing escalation of raw materials, freight and labor that we have experienced over the past few years. The increase will be as follows:

| | |
|---|-----|
| Fabricated sweeps, elbows, and accessories | +9% |
| Molded conduit, fittings, and accessories | +9% |
| FS Boxes and Weatherproof Covers | +5% |
| ENT pipe, fittings, and accessories | +5% |
| Enviroflex pipe and fittings | +5% |
| EZ BOX non-metallic switch, outlet, and ceiling boxes | +9% |

Revised price lists reflecting these changes will be sent to you shortly. All orders at current prices must be placed by the close of business on June 28, 2019.

We appreciate your business and look forward to working with you in the future on all of your PVC requirements. Should you have any questions, please do not hesitate to contact your local CANTEX representative or CANTEX directly.

Regards,

Vice President – Sales & Marketing
