RE: 90 Day Notification of New Price List Publication

Dear Valued Distributor Partner:

New US Price Lists for Appleton, SolaHD, O-Z/Gedney, and Nelson brand products will be published in the coming months, to be effective September 2, 2019.

As in previous years, Appleton Group will be generating and sending new distributor into-stock price files beginning in July. These will be delivered electronically direct to the contact person designated by your sales representative. In August, IDW and Trade Services will be updated with new list and trade price information.

The new price lists will apply for all orders placed on or after September 2, 2019. For existing SPAs that expire after September 2, 2019, quoted pricing will remain in effect until the expiration of the agreement.

We appreciate your business and look forward to our continued collaboration.

For questions, please contact your local sales representative.

Thank You,
